Congratulations to our Junior Plymouth League teams who have done very well so far this season. The first team will be in division 1 next year where they deserve to be. We have recruited a lot of new players this year and all of the squads are full, this is great news for the club and also for future team selection.

Good players start young....

Don't forget to get your younger brothers and sisters along to mini-tennis on Saturday mornings.

SO, WHAT'S NEXT?
